Merchants

We are firm in believing that all the merchants in this city want to give the people a square deal. However, now and then perhaps you find a dissatisfied customer. Why?

In the majority of these cases it is a case of the customer having purchased something that proved not to their liking when they reached home and good light and examined the article.

One satisfied customer is worth ten new ones. Are you going to lose a good satisfied customer merely through the lack of good illumination?

Let us call and show you how a few inexpensive changes in your illuminating system can bring you more and better business.

FRANK K. TOWNE TO HEAD PENINSULA BUREAU NEXT YEAR

Dumbarton Bridge Endorsed by Board. Free Port for Coast at South San Francisco Is Gladly Endorsed

Frank K. Towne, president of the Redwood City Chamber of Commerce, was elected president of the Peninsula Bureau of Chambers of Commerce and Civic Associations to succeed John J. McGrath of the Three Cities Chamber of Commerce at a meeting of the bureau held in San Mateo Monday night.

R. H. K. Smith, secretary-manager of the Redwood City chamber, was chosen to succeed Daniel C. Imboden of the Three Cities organization as executive secretary of the organization.

The meeting for the election of officers was called by McGrath following the withdrawal of the Three Cities chamber from the peninsula body as a result of charges of irregularities in the procedure of the bridge committee of the bureau at a meeting in this city a week ago. The action of the Three Cities chamber was announced as having been taken by the board of directors, but official notice of their withdrawal was not presented at the San Mateo meeting.

The election of Towne came after McGrath had been nominated for re-election by W. H. Sullivan, president of the Menlo Park chamber. Towne was nominated by Phil R. Thompson of South San Francisco. With 12 member organiaztions voting Towne received 8 votes and McGrath 4. Three of the four were voted by Mrs. Elsa McGinn, head of San Mateo organizations.

Smith was elected without opposition and the other positions in the bureau were filled by moving up of officials in the order of offices and selecting Asa Hull of Redwood City and San Carlos as treasurer.

Fred H. Drake, chairman of the bridge committee, attempted to address the meeting but was interruted by a motion to adjourn. Drake announced he wished to advise the people of Burlingame and San Mateo that he would present $1,000 to any local charity upon proof that he had any real estate holdings other than his interests in San Carlos.

The statement was made in answer to accusations that he had been accused of wishing to locate the proposed bay bridge at Dumbarton for personal reasons and that the Dumbarton location was connected with "a real estate scheme," Drake said.

Following the meeting McGrath stated he was unable to attend because of a conference with officials of Pacific City, the new beach resort now building at San Mateo.

Thursday Evening Meeting

At a spirited busy session of the bureau held in South San Francisco Thursday evening the Dumbarton bridge and the east side highway were endorsed by the bureau.

South San Francisco's effort to secure a free port and her long fight for a separate postoffice from that of San Francisco were also endorsed. The free port question was referred to the free port and harbors committe by Chairman Towne.

Many things transpired throughout the evening to enliven the meeting, one of which, it is said, was a reprimand delivered to the 100 Per Cent Club of San Francisco by Fred Drake of San Carlos, for the club's support of the bay bridge at San Mateo.

Chairman Towne appointed the following chairmen of standing committees:

Advisory—Rev. W. H. Brewer.
Publicity—Mrs. John L. McGinn.
Industrial Development — George Hoene.
Free Ports and Harbors—Phil H. Thompson.
Dumbarton and East Side Highway—Fred H. Drake.
Coast Side Development—Horace Nelson.

44 YEARS AS SECRETARY OF STATE SUPREME COURT

H. C. Finkler, the well known and respected resident of Redwood City, on April 23 rounded out his 44th year as secretary of the state supreme court. His father held the position for ten years before the son assumed his duties. Mr. Finkler has seen many changes in the personnel of the court in that long period of time. Judges came and went, but Mr. Finkler continued in the position. When Mr. Finkler became secretary the old constitution was in force and there were only five supreme judges; under the new constitution there are seven judges.

The five judges who were on the bench when Mr. Finkler assumed the office were Judge W. T. Wallace, chief justice; Judges McKinstry, Niles, Rhodes and Crockett. They have all long since passed to the world beyond.

Mr. Finkler's salary was raised by the last legislature through the efforts of Assemblyman Eksward, this being the first raise Mr. Finkler received in 30 years. He is a diligent worker, a good student and a splendid organizer and quite methodical in the preparation of his work.

SUPERVISOR'S MOTHER DIES

Mrs. Thomas Hickey, mother of Supervisor Thomas L. Hickey, passed away at the home of her daughter, Mrs. John O'Connor, at San Bruno Monday. Mrs. Hickey had been ill for nearly a year, so her death was not unexpected. The deceased had lived in South San Francisco and San Bruno for many years, she having come from Chicago. Besides T. L. Hickey and Mrs. O'Connor she leaves the following to mourn her passing: John L., William L. and Michael Hickey.

The funeral took place Wednesday from All Souls Church, South San Francisco, where a requiem high mass was celebrated for the repose of her soul. The interment was in Holy Cross cemetery.

Mrs. Hickey was a fine, charitable woman who had raised a family of which she had just cause to be proud.

ALLEGED CHILD DESERTER PLACED IN JAIL

George W. Conner of this city was arrested in San Francisco Wednesday on a charge of non-support of his minor child. Conner was brought to Redwood City by Undersheriff H. W. Lampkin and was arraigned before Justice of the Peace Ray Griffin. His preliminary hearing was set for next Monday and in the meantime he is being held in the county jail in default of bail.

There will be good music by an excellent jazz orchestra and handsome door prizes awarded.

Metamora Tribe No. 24, Improved Order of Red Men, will entertain its friends at a social dance in Foresters' Hall tonight. Music will be furnished by Dutton's orchestra of San Francisco.

WATER PROBLEM TO GO TO STATE COMMISSION

Following a conference between town trustees and officials of the Redwood City Water Company last Monday night, it was decided to submit the demands for an increse in rates to the state railroad commission.

Solution of the rate problem by municipal purchase of the water works was the hope of local officials, until the recent municipal election, when the proposition to purchase the holdings of the company was defeated by a small margin.

The contracts for the present rate of 12.5 cents per thousand gallons expired more than a year ago. The proposal to submit the application for an increase of rates to the state body for adjustment was favored by city officials, in view of the recent decision against municipal ownership of the water plant, it is said.

City Attorney Albert Mansfield will assist at the hearing before the commission, it was announced.

An ordinance for the construction of water mains through Redwood City by the city of San Francisco was submitted to the board. Provision is made in the ordinance for the sale of water from these mains at a rate to be determined by the two municipalities or the commission.

Other business included the granting of a request of a contract for construction of a guard rail along the highway between Lincon and Redwood avenues and the purchase of a new police automobile from D. M. Flynn, local Ford dealer.

DANCE AT FORESTERS' HALL

The successful dance held last Wednesday a week ago at the Foresters' Hall in this city will be repeated again next Wednesday, May 3, it was announced here today.

Ory's Creole syncopated band of New Orleans will furnish the music as they did before.

REV. C. A. PARKER INJURED

Rev. C. A. Parker, pastor of the Baptist church of Redwood City, is suffering from cuts and bruises received last Sunday, when a carriage in which he was riding on the highway near James street was hit by an automobile driven by M. Coen of San Francisco. Several children, passengers in the carriage, escaped unhurt.

PENINSULA ORGANIZED FOR DUMBARTON BRIDGE

Representatives from the various towns of the San Francisco bay district are gathering here today for the purpose of deciding the location of San Mateo county's new highway on the east side and the proposed bay bridge.

It is proposed in the meeting, initiated by the Redwood City Chamber of Commerce, to sound the sentiment of all localities which may be called upon to finance the joint projects now under consideration by officials of San Mateo and San Francisco counties.

Results of the vote on the location of the bridge and highway will be forwarded to the supervisors of the two counties, which have already begun proceedings for a joint highway district.

FOURTH OF JULY FETE WILL NOT BE HELD

According to a statement issued this week by the chamber of commerce there will be no 4th of July celebration held in Redwood City this year as planned.

A petition was presented to the chamber some time ago by M. E. Oliver, signed by 142 citizens, asking for a celebration. Secretary R. H. K. Smith sent out questionaires asking the following information:

Are you in favor of a 4th of July celebration?

What is your suggestion as to the form the celebration should take?

If your suggestion is adopted would you subscribe toward defraying the costs?

Only eight replies were received out of the 142 and contributions numbered only $78.50.

"It will take at the least $2,000 to put over the celebration," Smith stated.

CHANGES IN OFFICE OF SAN FRANCISCO APPRAISER

When Laurence A. Heiner of this city tendered his resignation as examiner of merchandise in the appraiser's building, San Francisco, some months ago, after a continuous service to the government of 21 years, speculation was rife as to who would secure the place thus made vacant.

On April 1 when Bert Kahn became appraiser he at once made a recommendation to the treasury department at Washington that the $2,000 salary paid to Mr. Heiner be distributed among the other examiners, giving a raise of $200 to those receiving less than $2,000 a year and $100 to those receiving in excess of $2,000, and making two acting examiners regular examiners, thus giving the men more pay without any added expenditure on the part of the government. It was also recommended that the chief examiner, Charles Evans, who is an attorney and one of the most expert examiners of merchandise in the country and who has been employed in the department for nearly 30 years, be given a raise of $300.

Mr. Kahn at the same time sent letters to Congressman Julius Kahn and Congressman John I. Nolan asking their aid in the matter. On Wednesday advices were received from Washington announcing that the recommendations had been accepted and there was much rejoicing in the appraisers' building. That the department accepted the recommendations immediately is a big feather in the cap of Mr. Kahn. It demonstartes his ability to do things and get action. For years efforts have been made to raise the salaries of these men but without success. It was left to the new appraiser to turn the trick.

Examiners of merchandise at the port of San Francisco are high class men whose duty it is to appraise all merchandise coming into the port. They must possess technical knowledge to a high degree and must be well versed in all tariff laws and keep posted on all treasury decisions. The greater portion of these men have grown gray in the service, are true, tried and trusted employes of the government and should receive fair compensation for their work.

Entered as second-class matter, at the Postoffice at Redwood City, California, under the Act of Congress of March, 1879.

SATURDAY, APRIL 29, 1922.

HON ARTHUR M. FREE.

The eighth congressional district of California is represented by a good Republican. His name is A. M. Free. He is a man who has accomplished much in a short time, for he is a comparatively young man. Mr. Free spent his boyhood in Mountain View. He went to Stanford University and he had to make his own way there. When he graduated he was appointed postmaster at Mountain View. Like some of the important characters of history he studied law at the same time that he held this position. He was an eloquent orator and the people honored him by electing him district attorney of Santa Clara county. He held the office two terms and refused re-election. He was remarkably successful in the practice of law. He gave his services to the nation as a "four minute man" while we were at war. He traveled where he was needed, whether it was to help sell bonds or raise money for the Red Cross or whatever else it might be.

In 1920 he was elected to Congress. He has been a good, consistent member. He has done nothing spectacular but he has made a couple of good speeches and has voted "right" on practically every measure that has come before the house. As the old saying goes, One good term deserves another." We most heartily commend Arthur Free to our readers as a good man to tie to. He is safe and dependable.

WARREN SCHOOL WINS

Sequoia Union High School baseball team suffered a defeat at the hands of the William Warren School team at Menlo Park Wednesday afternoon. At the end of the seventh inning the score was 5 to 1 in favor of the Sequoia boys, but in the last two frames William Warren put on an unlooked for rally and piled up five adidtional runs.

Sequoia has been playing in bad luck this past week and has lost its winning stride. Dick Bradshaw, a local boy who is a student at William Warren, was the bright and shining star of the game.

Mr. and Mrs. John Gill returned on Sunday from Dixon, Solano county, where they had spent a very pleasant week as the guests of Mrs. Gill's parents, Mr. and Mrs. Kerr.

"We believe ZEROLENE is the most efficient lubricant made for the modern automobile engine. If it were possible to make a better oil than ZEROLENE this company would make it."

The President of the Standard Oil Company (California), author of the statement quoted above, is right in believing that Zerolene is the best motor oil made. The lubrication engineers of this company have proved it repeatedly, by means of thousands of dynamometer and road tests of Zerolene and competing oils.

The reasons for Zerolene's superiority are: First, that the Standard Oil Company (California) possesses resources of crude oil and of manufacturing equipment and personnel that are unsurpassed in the entire petroleum industry. Second, that the engineers and chemists of this company have, from the beginning, been given carte blanche to make full use of these exceptional resources, and to spend all the time and money needed to develop a lubricant ideally suited to the needs of the modern internal combustion engine.

At the President's request, we are undertaking to tell the motorists of the Pacific Coast the story of Zerolene. We shall do this by means of a series of signed statements in the public press. These statements will set forth in plain language the requirements of an efficient motor lubricant, and the detailed reasons why Zerolene meets these requirements perfectly.

Miss Cora Clute, local Red Cross nurse for this section of San Mateo county, visited all of her schools this week and talked to the children on the value of caring for their teeth. In several of the schools she had the teeth of all of the pupils examined by a local dentist. In South San Francisco Dr. J. C. McGovern spends one morning a week in the grammar school and has cared for the teeth of many of the children. In the last year when diphtheria was prevalent in many parts of California there was not a case in South San Francisco. Clean teeth make healthy children.

MRS. LYDIA M. BROWN CALLED

Mrs. Lydia M. Brown, one of the best known and most highly respected women of this city, passed away Tuesday at her home on Main street after an illness of two weeks with influenza. In December, 1921, her husband, Robert Brown, passed away after an illness extending over several years.

Mrs. Brown was born on the site of Stanford University March 10, 1862, and has resided in Redwood City all of her life. She has been one of the most prominent women in the public life of Redwood City for the past 30 years. She was active in all lines of charitable work. For 20 years she was treasurer of the Congregational church and took part in all the church's activities. She was past worthy matron of Sequoia Chapter No. 203, O. E. S., and had filled all of the offices in both the Rebekahs and Woman's Relief Corps. She was for several years head of the Red Cross chapter and directed the work of the chapter during the early days of the war and was one of the first members of the San Mateo county social service commission.

Mrs. Brown is survived by two brothers, J. W. and Charles Locker.

The funeral of Mrs. Brown was held from her home Thursday afternoon. Rev. C. H. Stevens in simple words told the deeds of this good woman and a choir composed of Mr. and Mrs. Stevens, Mrs. Charles Dimmitt and Wm. Doxsee sang several of Mrs. Brown's favorite hymns. The interment was in the family plot at union cemetery and the following old friends of the deceased acted as pallbearers: L. P. Behrens, T. C. Rice, Charles G. Lambert, Charles Bettin, Knox Parrish and Kenneth Murray.

REDWOOD CITY GIRL DIES

Miss Wilma Crowell, well known in this city, where she attended both the Redwood City grammar school and the Sequoia Union High School, passed away in Sacramento last Tuesday night.

Miss Crowell was 19 years of age and a daughter of W. A. Crowell of this city and a native of Placer county. She won many friends during her school days here on account of her sweetness of character.

She had been a guest in the home of her sister, Mrs. Lionel de Young of Sacramento, for the past three weeks and had been in failing health for some time. She had been forced to give up her studies in the high school here and had gone to Sacramento in the hope of recovery, it is said.

Funeral services, attended by many of her former friends of Redwood City, were held from the chapel of Cypress Lawn cemetery yesterday morning.

"HOBO NIGHT" AT AMERICAN LEGION MEETING

"Hobo night" was observed in appropriate fashion on Thursday evening by Redwood City Post No. 105, American Legion, and the women's auxiliary. It proved to be one of the most enjoyable affairs of the season at the civic auditorium.

High praise was accorded the various entertainment features and the dinner, prepared by the ladies. There was a large attendance of members from both organizations.

Miss Ruth Thompson, who last week returned from a two years' stay in Europe, has taken a place in the Crocker school in Daly City. She is taking up Miss Lucille Hassett's work, Miss Hassett having requested a leave of absence that she might spend four months in the Hawaiian Islands.

MENLO PARK NEWS

Mahoney Bros., the well known contractors of San Francisco, have been awarded the contract to erect the base hospital buildings for the government. The contracts were awarded at Washington. Work will probably begin next week, when a large army of men will be employed. Material is to be brought in on a spur track to be constructed shortly from the Dumbarton railroad over the Carnduff road. Already the hotels here have been engaged by the contractors to house and feed the men to be employed on the buildings. A line of buses is to be run from here to the hospital for the accommodation of the public. Local business men are looking forward to a lively summer in Menlo Park.

The Menlo Park baseball team will give a benefit ball in Native Sons' hall on April 29. The proceeds will go toward a fund to purchase suits and equipment. It is a worthy cause to which every baseball fan should subscribe liberally. Tickets are now on sale. The dance is to continue until 3 o'clock in the morning. Excellent music and an enjoyable evening maye be looked forward to on that evening.

Alexander Hamilton and family are occupying their pretty home at Atherton for the summer.

Gladys Walton will appear in "Short Skirts" in the Menlo Park Theater this evening. The serial, "Winners of the West," will also be shown. Tomorrow Owen Moore is to appear in "A Desperate Hero."

At the community center diamond in Palo Alto tomorrow afternoon the Menlo Park nine and the Legion team of Palo Alto will meet to try conclusions. Both teams are prepared for the fray and a good game is looked forward to by the fans. The battery for the local men will be Hara and Clothier. The nine is made up in all respects with strong timber.

Albert Schwabacher has moved down from the city and is now occupying his pretty Atherton home. Monday evening a fire started in the laundry near the house. For a time it looked as though the structure would be destroyed, but the timely arrival of the Menlo fire department put out the blaze before any serious damage was done. The origin of the fire is unknown.

Fred Nessler, proprietor of the Little Green Door, will install next week an up to date popcorn machine in his establishment to the delight of the little ones.

Timothy Hopkins, wife and daughter, have opened their home for the summer.

Judge Charles A. Shurtleff arrived from Los Angeles on Wednesday after spending over two weeks in the south, where the supreme bench held court during that time. Judge Shurtleff had many honors shown him while in the south. The bar association of Long Beach entertained him at dinner, while the Lions' Club of Los Angeles gave a banquet in his honor. The judge made an able address before the bar association of Los Angeles, making quite an impression upon the large gathering by his pleasing and compelling speech. On his way north he was also entertained at Santa Barbara. The judge made a distinct impression in the sunny southland and is certain to receive a large vote there at the primary election in August next.

The consumers of the Bear Gulch Water Company may feel sure that there will be a good supply of fresh water for all purposes during the year. Britton, the popular superintendent, has the reservoir in splendid condition, free from mud and sediment, so that the water is sure to be pure and fresh during the coming summer months.

LIQUOR BANDITS PLEAD GUILTY

John A. Walsh and Clifford Rollins, both of San Francisco, members of a bandit gang which robbed the home of Julien Hart at Menlo Park early last month, removing liquor and silver amounting to more than $20,000 and terrorizing the household for several hours, pleaded guilty to charges of first degree burglary in the superior court here last Thursday. They will be sentenced today by Superior Judge George H. Buck.

Both men had formerly entered pleas of not guilty on charges of robbery and burglary.

Walsh changed his plea after a jury had been summoned to hear his case, which was called for Thursday. Rollins was in court for the purpose of having his trial set for hearing. Following the surprise plea entered by Walsh, attorneys announced that Rollins would also plead guilty to burglary and request immediate sentence.

Walsh's change of plea came as a surprise to District Attorney Franklin Swart and officers on the case, from the fact that Walsh had steadily denied participation in the burglary and announced that he would establish an absolute alibi.

He was the only one of the trio so far arrested in connection with the robbery who has failed to give the officers an account of his part in the job.

"Tommy" Thompson, local boy said to have been the leader of the bandit party and arrested by Undersheriff H. W. Lampkin here last week, will be tried in the near future. Two other suspects are being hunted by local and San Francisco authorities, it is reported.

The funeral was attended by Mrs. Hayes' two sons---Alfred Hayes of Pasadena and Lloyd B. Hayes, secretary of the City Club of Boston, and members of the Benjamin family of San Francisco.

Mrs. Hayes, who was a highly intelelctual and refined woman, was not known on the peninsula, but her brother, Raymond Benjamin, is very well known and has many friends and admirers in San Mateo county.

Miss Kate Murphy, a former resident of this city, came to Redwood City Saturday to visit her brother, John, who is now convalescing from a severe illness at the Hulings sanitarium.

Members and guests of the two organizations will celebrate the anniversaries of Olive Branch Rebekah Lodge and Bay View Lodge, No. 109, I. O. O. F., at a masquerade ball in Odd Fellows' Hall next Wednesday evening.

Harold Hexner, chairman of the booster committee, is in charge of arrangements. The committee promises an unusually entetraining evening for all who attend the ball.

NEW UNION SCHOOL DISTRICT

The trustees of the San Pedro and Tobin school districts in the northern end of San Mateo county are agitating the matter of uniting their districts as a union elementary school district. Should the two districts form the union they would hold school in the Salada Beach school, the school at Rockaway would be closed and the teacher for that school would assist the Salada Beach teacher. The children from Pedro Valley, Rockaway and Valley Mar would be taken to school in a machine furnished by the union district.

DALY CITY CHANGES

Things are not quiet politically in Daly City, the municipality of San Mateo county which is really a part of San Francisco. After the reorganization of the board of trustees Monday night Henry Toft, who has been chief of police practically since the organization of the city, resigned his position. The resignation was accepted and Jack Doyle, an overseas veteran, was appointed to his place. Charles L. Biebel resigned as water clerk and the place was given to a young lady. George A. Kneese was reappointed city engineer and J. E. McCurdy was reappointed city attorney.

Attorney John Machado has been in San Jose practically all of this week conducting a case in the Santa Clara county superior court. Mr. Machado, who is deputy district attorney of San Mateo county, is an exceptionally clever lawyer and has a bright future before him. His intimate knowledge of several foreign languages is of great help in his profession.

HIRAM JOHNSON SPEAKS ON THE TREATY

That Senator Hiram Johnson is still on the alert and in the ring as strong as ever is proved by a recent speech of his delivered in the senate of the United States, in which he attacks the quadruple or Yap treaty recently drawn in Washington. After going into the treaty in great detain the senator closes with the following:

"The argument for this present surrender of our ancient policy of independent national action is nothing in the end but that one word 'danger.' The Anglo-Japanese alliance, the gentlemen on the other side say, exposes us to danger. Therefore we have no choice; we must accept this treaty. I shall vote against this treaty because if any foreign alliance can ever speak to this country with the word 'must,' then the spirit which made this country safe when it was feeble will have departed from it, and our record in history will be that what we dared when we were weak, we feared to face when we were strong, and that in striving to barter our heritage we lost safety itself."

PIONEER RANCHER DIES

Lawrence F. Morrisey, a pioneer rancher of San aMteo county, passed away Wednesday evening after a sickness of some duration. The cause of death was cancer and Mr. Morrisey's family and friends have known for some time that the end was imminent. Larry Morrisey was born on the coast near Colma in what is now known as Salada Beach slightly over 50 years ago. As boy and man he has resided in the same section ever since. He was a fine, clean man and was a delegate to the Republican conventions in the olden days of party politics. The only office he ever held was trustee of the San Pedro school district, which position he occupied for many years.

He was unmarried and leaves the following brothers and sitsers to mourn his loss: John, Tom and Patrick Morrisey and Miss Katie Morrisey. The funeral services will be held today at the Church of the Holy Angels, Colma, where a requiem high mass will be celebrated. Interment will be in Holy Cross cemetery.

EDWARD BENNETT UP AGAIN FOR TRIAL

Edward Bennett, charged with contributing to the delinquency of a minor in connection with the alleged sale of liquor to a Redwood City boy, will be tried in the superior court here May 9.

Bennett was formerly proprietor of a drinking establishment at Hamilton and Broadway, Redwood City. He will be defended by Attorney J. J. Bullock of this city.

KINGS ENTERTAIN

Mr. and Mrs. J. R. Harlow and their two children with Senator W. R. Sharkey and W. J. Sharkey, Jr., of Martinez, were entertained last Saturday at the home of Mr. and Mrs. Frank King on Duane street.

Senator Sharkey, who is a brother of Mrs. King, has been in the legislature from Contra Costa county for several years and is editor of the Martinez Standard.

Professor Harlow is county superintendent of schools in Contra Costa county.

POLICE KILL MAD DOG

Answering a "hurry" call from an unknown woman last Tuesday afternoon, Chief of Police C. L. Collins and Peter Larrecou hastened to Chestnut street and there found the women and children in a state of panic over the presence of a mad dog which had been chasing some of the children who had been playing in the street.

Upon sight of the animal, which was said to have been foaming at the mouth and galloping up and down the thoroughfare, both men pulled their guns and began to fire. As to who hit the dog first is a mooted question among the panic stricken residents even yet, but all agree that both weapons did excellent service, for the animal was killed and disposed of without delay.

JUDGE BUCK REDUCES FINES

Fines of Herman Goertzhain, Emma M. Werder and Louise M. Harnden, judged guilty of contempt of court in connection with the late lamented Fair Oaks sanitary district election, were reduced to $25 each by Superior Judge Buck last Thursday.

The three persons were recently haled into court and fined $50 each when they attempted to open polling places in the face of a court order annulling the calling of the election for the formation of a sanitary district about Five Points.

EDITOR HAS AMBITIONS

J. L. Brown, veteran editor of the Daly City Record, has shied his hat into the political ring. J. L. has announced that he will be a candidate for the position of justice of the peace for the first township of San Mateo county. He wants the place now filled by Judge Ellis C. Johnson of Daly City. Mr. rBown has issued his platform and promises that he will make a determined campaign for the poistion. As J. L. is a rustler of known ability Judge Johnson will have to bestir himself if he would retain the judicial ermine.

CROP PROSPECTS GOOD IN NORTHERN CALIFORNIA

California will again furnish a liberal portion of the world's prune crop in the opinion of L. M. McDonald, vice president of the Bank of Italy, who has just returned from an extended trip through the northern part of the state.

"Prospects are exceedingly bright for a heavy prune crop as well as pears, almonds, peaches and grapes all through the northern valleys," says McDonald, "and growers are exceedingly optimistic. Many of the difficulties experienced last year in the matter of prices and freight rates have been overcome and everything points to an excellent year.

"Organization of the growers on a workable basis with a sufficently large number included in the association to insure successful administration is a big accomplishment of the year. It doubtless has an important bearing on the optimistic attitude of the growers. Howeyer, the condition of the crop itself, and the fact that slight danger exists now of serious setbacks, is the chief factor in the orchardists' happy frame of mind.

"Other agricultural prospects are equally good and there is every reason to expect that 1922 will establish records for many California growers.

McDonald was accompanied on his trip by Edward Leimert, assistant manager of the bank's bond department.

INTOXICATION COSTS MAN $500

A fine of $500 was assessed to Charles Williams, salesman living at the Turk Hotel in San Francisco by Superior Judge Buck last Thursday, when Williams was convicted of driving an automobile w'"a intoxicated.

Application for probation was denied and Williams was given the alternative of serving a five-months jail setnence in lieu of the fine. He is now at liberty on ball, pending a stay of execution granted by the court.

Williams was arrested by local officers after his automobile had collided with other vehicles on the Woodside road last September.

SAN MATEO COUNTY ELKS HOLD ANNUAL MEET

The Elks held their 15th annual meeting at Babylon, San Carlos, on Wednesday evening, with eating, dancing and song. Special entertainers were brought down from San Francisco. Attempts were made at the beginning of the meeting to have public speaking, but the very crowded condition of the great banquet hall and the merrymaking of the guests made it hard to be heard, it is said, and the effort was discontinued.

Among the prominent guests of the occasion were Fred W. Birlom, grand exalted ruler of San Mateo Elks, and John Sax from San Rafael, state president of Elks.

The comimttee having in charge the entertainment were Fred Beer, W. H. Topkie and Horace W. Amphlett.

Walter Barrett and his brother-in-law, Dr. Bamberger, a professor in the department of physiology at Stanford University, were in Redwood City Wednesday visiting with friends. Mr. Barrett is taking work in a San Francisco school preparatory to entering the University of California next semester.

The Slogan of California's largest bank is—
"Build Strong"
The strength of a financial institution is largely measured by its organization, the size of its banking capital, the character and diversity of its resources, and the number of its depositors.
Other important factors are—the policies of the bank, and the executive ability and experience of the men at the helm.
The banking capital of the Bank of Italy totals more than Fifteen Million Dollars. Its resources are distributed over the entire state. They represent the very "blood and sinew" of California. This bank is the second largest in the United States in number of depositors. Its policies are progressive, constructive, and yet, consistently conservative. It is governed by a directorate of picked men—representing nearly every section of the state.
